JUST A PEAL OF STEDMAN

ONE Monday in February, 1903, a party of ringers rang a peal of Stedman Triples on the bells of St. Peter's Church, Hersham, Surrey, a well-struck peal which was listened to by several ringers outside the tower, some of whom wanted to see 'Parson' F. E. Robinson in the flesh. It was just a peal of Stedman rung by eight ringers in eight different walks of life, and young John H. B. Hesse scored his first peal of Stedman. The band had never met before and this was their one and only meeting, for they were mostly from different towers, but as seven of the ringers have passed on leaving only the writer to recall happy associations, perhaps their names will be remembered by others who appreciated their work for ringers and ringing.

The front four bells of the light eight were cast by Thomas Blackbourne. On the treble was George Woodiss, a well-known conductor and instructor. Then came Freddy Goddard, of Isleworth, a renowned character in various Middlesex towers. The 3rd was rung by Jim Hunt, a 'straight from the shoulder' type, yet one of the best and most lovable of ringers. Then we had John S. Goldsmith, who was a young newspaper scribe at Woking. There is no need for anyone to write thousands of words about his services to our art; just look above the date on this page of our journal.

On the other side of the writer was John Hesse, a rather nervous young ringer at something new to him in those days, but he lived to give us experience and advice of the best quality in matters of engineering skill, which proved invaluable to clergy and ringers alike. On the 7th was the one and only Rev. F. E. Robinson, who called his usual variation of the four-part. He had come a long way for this peal, but he did not forget his supply of dried fruit, always his companion when away from home. Even the tenor ringer possessed a well-known name, for he was a brother of Isaac Emery, who is still with us.

After the peal seven of the band walked to Walton railway station, for buses were almost unknown in country

districts, and in most cases travel meant train together with plenty of walking into the bargain.

Yes, it was just a peal of Stedman rung in the hearing of a few change ringers from the struggling local band, together with three call changers from neighbouring towers, but it was worth while. Peals were not so plentiful 50 years ago, but it is worthy to record that every one of the band who rang this peal maintained their work for ringing and never lost interest in the art, serving to the best of their various capabilities for the promotion of change ringing.

We are still enrolling new postal subscribers

St. Leonard's, Shoreditch,
bells were heard to a peal of
Stedman Cinques on April
18th. This is the first peal on the bells since
November 11th, 1939, when a half-muffled peal
of Stedman Caters was rung. The church was
severely damaged in the 1939-45 war and has
only now been completely restored through the
untiring efforts of the Vicar, the Rev. Meredith
Davies.

Waterloo Bob Triples, arranged by Mr. Nolan
Golden and published on page 254, is a simple
variation of the composition on page 49 of the
'Central Council Collection of Triples Methods.'

The ringers of St. Lawrence's, Long Buckby,
Rugby, express their best wishes to Mr. and
Mrs. J. Eales on the occasion of their silver
wedding. The peal attempt in honour of the
occasion was lost after 1½ hours' good ringing.

The peal at Lymington on April 18th was Mr.
John H. Gilbert's 13th peal and his first attempt
as a peal conductor. The only mishap was the
number of blisters he collected. This did not
prevent him winning a tennis tournament the
following day.

A special feature of the Ringing Day to be
held at Eardisland, Herefordshire, on May 9th,
when the new ring of eight will be available,
will be a recording of some of the ringing which
will be played back during the tea. This should
be rather interesting.

In honour of the golden wedding of Mr. and
Mrs. J. F. Glanvill it had been arranged to
ring a quarter peal in their own church, Wood-
bury, Devon. During the Sunday morning
ringing the gudgeon of the tenor broke and the
bell fell and jammed in the frame. This was
a lucky accident as the bell weighs 25 cwt and
if it had fallen on the floor it might have gone
through the ringing chamber. Honours were
duly paid at Withycombe Ralcigh Church.

BELFRY GOSSIP

Miss Eileen Sudell, a regu-
lar Sunday service ringer at
St. Peter's Church, Hindley,
Lancs, has been selected to be Coronation
Queen of Hindley from 104 entries. Eileen,
who is 14 years of age, is working hard to
qualify for the Ringer's Badge of the Girl
Guides. We wish Eileen a very happy reign at
Hindley and hope to hear of her success in her
Girl Guide examination.

Roderick Pipe, of Grundisburgh, has con-
ducted a peal of Bristol Surprise Major from
a working bell before reaching his 13th birth-
day.

The Suffolk Guild have sent a resolution to
the Central Council expressing a desire for a
closer contact with the B.B.C. The general sec-
retary of the Council had previously been in
touch with the B.B.C. concerning the early pub-
lication in 'The Ringing World' of broadcasts
of bells and has received a favourable reply.
The Editor is waiting for the first fruits of this
overture.

The peal at St. Michael-at-Coslany on April
11th will be remembered by the two young
men from Danbury, Essex, on their first visit
to Norwich. After some courses had been
rung and Cambridge Surprise was getting a
little boring, a local window cleaner entered
the ringing chamber rather unsteadily, having
doubtless spent a considerable time in a tavern
adjoining the nearby brewery. Threatened with
a dreadful fate if he did not keep quiet, the
visitor proceeded to the cloakroom and through
the trap door, which had been raised a few
inches, attempted to draw the ringers' attention
to his presence there by pelting them with
selected pieces of mortar. Eventually board
and lodging for the night was found for the
intruder in a certain part of the palatial City
Hall and later the man handed over a sum
of ten shillings for this privilege.

THE DERBYSHIRE ASSOCIATION

Hopes of Additional Income

Approximately 50 ringers and friends were present at the annual general meeting of the Derbyshire Association held in Derby on April 11th. Many took advantage of the full programme of ringing admirably arranged by the Derby District Ringing Master, Mr. Francis Lowe.

During the morning the ring of ten at St. Andrew's was available and the bells of St. Luke's, St. Peter's and the Cathedral were rung during the afternoon and evening. The duties of Ringing Master were shared between Mr. Freebrey, Mr. Mould and Mr. Lowe, and it was pleasing to note the number of learners present.

The committee met at St. Peter's Parochial Hall during the afternoon and the service in the Cathedral was conducted by the Association's president, the Right Rev. R. S. M. O'Ferrall, Assistant Bishop and Provost of Derby. The sermon was preached by Canon Edmund, who reminded members of the importance of the duties carried out by ringers.

A substantial tea was provided by the Derby District members in the Diocesan House and this was followed by the annual meeting.

Before the business the president asked members to stand in silence in memory of Mr. J. Glew, who was Ringing Master at St. Peter's, Derby, for more than 50 years and who died suddenly shortly after attending the annual dinner of the Association.

The secretary's report revealed that activities of the Association were very healthy in the Derby District but some difficulties were being experienced in the Chesterfield and Peak Dis-

tricts. Owing to difficulties in filling official positions in the Ilkeston District it had been decided to merge membership with the Derby District until further notice.

ADVANCE IN SURPRISE RINGING

The report of the peal secretary showed a slight reduction in the number of peals rung during 1952 as compared with the previous year, but the analysis of methods rung revealed a considerable advance in Surprise ringing in the Derby District. This advancement is obviously due to the excellent facilities offered for practices at the Derby towers.

The financial statement indicated a loss on the year but it was confidently expected that a special drive for the collection of overdue subscriptions and the continuation of the gentleman's agreement for the payment of peal booking fees would ensure a much more favourable position in 1953. It was expected that additional income would be obtained from the inclusion of advertisements in the annual report.

The resident general secretary and one trustee (Mr. Francis Lowe) were unanimously re-elected for a further period of two years and all officers were thanked for their services in the year 1952.

Mr. D. Carlisle reported on the arrangements made for the first annual dinner and all agreed that the very successful venture should be repeated in 1953.

A very comprehensive vote of thanks to all who had contributed in any way to a very successful day was proposed by Mr. Carlisle and carried with acclamation. The bells of the Cathedral and St. Peter's were rung until members began to leave for home about 8 p.m.

SALISBURY DIOCESAN GUILD

West Dorset Branch's Appreciation of

Mr. C. H. Lathey

The quarterly meeting was held at Hawkchurch on April 11th. Members attended from Beaminster, Charmouth, Evershot, Netherbury, Lyme Regis, Hawkchurch, with a visitor from Hardington Mandeville.

Ringing started at 3 p.m. when the usual methods up to Cambridge Surprise Minor were rung. At 4 p.m. a break was made in the ringing to make a presentation to Mr. C. H. Lathey, late secretary of the Branch. Mr. Lathey resigned last December after 21 years' service. Canon C. C. Cox presented Mr. Lathey with a cheque for £8 1s. 6d., subscribed by members of the Branch. On behalf of the Guild Canon Cox thanked Mr. Lathey for all the work he had done during the 21 years he had held office, which was a long period. He hoped Mr. Lathey would be able to buy himself something to enjoy and associate with it memories of the Guild.

Mr. Lathey, expressing his surprise and thanks to all, said although he had started another hobby which absorbed much of his time, they should see more of him in the tower before long.

The service was conducted by the Rev W. J. Ludlow and the lesson read by Canon Cox. The company then adjourned to the Village Hall for tea followed by the business meeting.

New members elected were Geoffrey Lombard, Graham Street and Billy Keates. They are all pupils of the Beaminster and Netherbury Grammar School.

Canon Cox then thanked the Rev. W. J. Ludlow for the service and use of the bells, Mr. Hayball and ladies for preparing the tea, and the organist. This was carried in the usual manner. After handbells, members returned to the tower for further ringing.

SUFFOLK GUILD

Closer Liaison With B.B.C. Wanted

The annual general meeting held at Ipswich on Easter Monday attracted ringers from far and wide and good use was made of the bells of five churches in the town, which were ringing from 10 a.m. onwards. The service at St. Lawrence's was well attended and was conducted by the Rev. C. P. Newell, who gave a most inspiring address. The collection, which realised nearly £2, was placed to the Guild Restoration Fund.

At the business meeting the vice-presidents were re-elected and new members voted to serve on the committee were Messrs. James Bennett, Max Page, Harry D. Lister and Sam Twitchett. Re-elected were Messrs. Frank L. Fisher, Leslie D. Mills and Derek Woodward. Mrs. S. R. E. Pipe was officially recognised as minutes steward.

Mr. C. J. Sedgley, having completed 30 years as Ringing Master, was re-elected and gave his report. Mr. C. W. Pipe was re-elected hon. general secretary and treasurer and in a short speech asked all members to keep keenly alert for recruits. He wanted to see all ringers master at least one Surprise method, make general progress—especially in striking—and, finally, to back up the Guild and help to put it among the leading Associations. Mr. J. W. H. Preastner was re-elected hon. auditor, and the Rev. C. P. Newell clerical secretary.

It was agreed to send a resolution to the Central Council expressing the desire of closer contact between the Central Council and the B.B.C.

No decision could be reached on Guild badges due to the fact that the full support necessary to launch the project was not forthcoming. Further ringing, which included well-struck Cambridge Royal, Stedman Caters, London, Bristol and Yorkshire Major continued until 8 p.m.

THE HERTFORD COUNTY ASSOCIATION

A Year of High Endeavour

THE annual general meeting was held on April 11th with favourable weather and a very good attendance representative of the county. Notable features were the great improvement in the financial position of the Association, the publication of the 1952 annual report by the day of the annual meeting and a change of title for honorary member.

For those who were able to make a day of it the bells of St. Etheldreda's, Hatfield, were open at 10 a.m. and good striking in Sfedman Caters, Cambridge Royal, etc., resulted. The Cathedral twelve at St. Albans and the six at St. Michael's (which are soon to be increased to eight) were available at 2 p.m., while St. Peter's ten were open from 2.30 p.m. until 3.45 p.m., when the ringers converged on the Cathedral for Evensong at 4 p.m.

The address was given by the Vicar of Royston (the Rev. A. E. Devonshire), who spoke on the origin and early uses of bells and mentioned some of the early founders and their methods of lettering. The Deans of St. Albans have always been great supporters of the Association and the present Dean (the Very Rev. C. C. Thicknesse) is no exception. He gave the members a warm welcome and kindly allowed the collection to be taken for the Association's Benevolent Fund.

Tea was arranged at the Abbey Institute at 5.15 p.m. presided over by Mr. T. J. Southam (acting president), supported by the Dean, the Vicars of Royston, St. Michael's and St. Stephen's (St. Albans). Before leaving, the Dean thanked the members for their work and for their invitation to have tea with them. He also thanked the Vicar of Royston for his address. The acting president suitably replied and the Association stood in silence to the memory of Mr. Albert E. Symonds, of Hitchin (late president), who had died in office, also to the memory of Charles H. Walklate (St. Albans), Ralph Coburn (Harpenden) and Nathan Brackley (Ting).

The hon. general secretary (Mr. H. V. Frost) read letters of apology for absence and messages of goodwill from the Lords Bishop of St. Albans and Bedford, Canon D. R. Feaver (Sub-Dean), the Rev. S. E. Woods (Hatfield), the Rev. E. Giles (Sandridge), the Hon. John Grimston, M.P. (St. Albans), Mr. L. Parkiss-Ginn (Hertford) and Mr. T. J. Lock (North Mymms).

New members elected included the Rev. J. B. Rigby (Clotthall), honorary member: Messrs. J. White (Bengeo), J. Southey (Aldenham) and Alan Firth (St. Michael's, St. Albans) as ringing members.

MEMBERS' SPLENDID RALLY TO HELP FUND

The annual report stated: 'In the annals of this Association the year 1952 will appear one of high endeavour. Having accepted the loan of £150 interest free from a generous friend, great efforts have been made by the members to raise additional funds to repay the loan in the shortest possible time and also to raise the Reserve Fund to over £100. Further results due to the increased interest taken in the Association have been the enlargement of our source of regular income by the election of many new honorary and ringing members. We also appreciate the action of many lapsed members who have rejoined paying their arrears in full, and several non-resident life members who are paying an annual subscription.'

Bell restorations consisted of the retuning and rehangings in a new steel frame of Great Hornmead bells; rehangings North Mymms bells on new bearings; removal of Redbourn bells for recasting in a new steel frame. Regret was expressed that the bells of All Saints', Hereford, and St. Stephen's (St. Albans) were silent. The towers at Knebworth, Royston and Bishop's Stortford had been restored and the bells could

now be rung again; the bells of St. Michael's (St. Albans) were to be increased to eight.

During 1952 there were 44 peals rung for the Association, the most outstanding being a peal of Spliced Surprise Major in 16 methods on handbells, while the Apsley ringers were to be congratulated on the peal of Spliced Surprise Minor in 32 methods. The peal of Adelaide Surprise Major was the first ever rung. Mr. F. W. Croft headed the list of conductors with eight peals.

The hon. treasurer (Mr. G. W. Debenham) presented the accounts, the Voluntary Bell Fund showing a balance of £41 5s. 8d., grants of five guineas each having been sent to St. Mary's, Redbourn, and St. Stephen's, St. Albans. The Benevolent Fund showed a balance of £70 9s., no applications having been made for assistance.

The General Fund showed an excess of income over expenditure of £26 16s. 2d. Special donations amounted to £96 15s. 3d., of which £55 0s. 6d. had been raised by the Western District by means of socials, jumble sales, etc. All debts had been paid with the exception of the loan of £150 and it was agreed to pay £75 back to the generous friend who had lent the money interest free.

THE NEW PRESIDENT

Mr. Sidney F. Carter (Bengeo) was elected president on the proposition of Mr. H. V. Frost, who mentioned the peal of Bob Major (18,144 changes) at Benington in 1932 which Mr. Carter conducted, also the ringing of four peals in one day in which Mr. Carter took part, conducting two of the peals. He had been the means of many young ringers scoring their first peals in the Eastern District for many years. Mr. J. M. Page seconded, and the silver bell badge of office, presented by Mr. G. W. Cartmel in 1929 once more changed hands. A hearty vote of thanks was accorded to Mr. T. J. Southam for his services as acting president and assistant secretary during the past year.

Other officers re-elected were Mr. H. V. Frost (hon. general secretary), Mr. G. W. Debenham (hon. treasurer), Mr. T. J. Southam (assistant secretary), Mr. C. F. Sayer (librarian) and Mr. H. H. Hole, C.A. (hon. auditor).

The resolution from the St. Albans District—'That in view of the fact that honorary members pay an annual subscription, the term "honorary" be discontinued in favour of a more suitable title,' was proposed by Mr. R. A. Cochrane (Hatfield) and seconded by Mr. T. W. Sheppard (Bushey). This was agreed to. After much discussion it was decided that the honorary members be known as associate members.

Arrangements for Coronation ringing were discussed and Mr. W. Ayre urged that no ringing be done between 11 a.m. and 2 p.m. and that advantage be taken of publicity by co-operation with the Press.

A vote of thanks to the hon. general secretary and all others concerned in getting the annual reports printed in time for the meeting was proposed by Mr. E. G. Buck, who said that as long as he could remember, it had always been desired.

Mr. W. C. Hughes proposed a vote of thanks to the hon. treasurer for his difficult task during the year in dealing with the accounts and getting them in such good order.

A vote of thanks to the clergy for use of the bells, the steeplekeepers and all who had contributed to the success of the meeting was proposed by Mr. H. V. Frost.

Further ringing at St. Peter's and the Cathedral concluded another enjoyable gathering.

H. V. F.

NORTH MYMMS, HERTS.—On Mar. 29th, 1,280 Kent Treble Bob Major: A. R. Sherlock 1, Mrs. T. Francis 2, Miss A. E. Salter 3, Miss M. Lawrence 4, G. Spencer 5, P. J. Coles 6, T. H. Francis 7, T. J. Lock (cond.) 8. First quarter of Treble Bob by 1, 3, 4 and 6.

BATH AND WELLS ASSOCIATION

Presentation to Mr. J. T. Dyke

ON Easter Monday some 150 members met at Bath, where after ringing at Twerton-on-Avon and at the Church of St. Michael with St. Paul, the service was held at the latter. The Rev. E. H. G. Sargent, the Vicar, conducted it and the organ was played by Mr. D. Hawkins, of All Saints', Weston, Bath. The choir consisted largely of Association members and greatly helped the singing. The address was given by the Master of the Guild, Prebendary A. J. Hook, who told eloquently of the Easter message. More than 100 members then took luncheon at the Christopher Hotel, where the subsequent business meeting was held.

The chief business of the meeting was the election of officers and the following were elected:—Master, Prebendary Hook, who asked the members to consider a successor to him, for he felt that he should be relieved of his office next year. Another officer, the Diocesan advisory expert, Mr. W. A. Osborn, at the end of his extensive report and current advice, also hoped that a successor would be found for him. The work entailed much time freely given. It needed a younger man with a knowledge of engineering. Mr. Osborn was re-elected.

The committee had considered the nomination of other officers to take the place of Mr. J. T. Dyke and recommended that Mr. Roger O. Fry, of 5, Morford Street, Bath, be elected general secretary and Mr. H. J. Sanger peal secretary. A question was asked if any other nomination could be accepted at the meeting. The Master said there was no objection, but as there was no other name brought forward the committee's nomination was accepted. Mr. L. W. Pullin took the office of treasurer, he having been elected at the previous meeting.

In addition to the report by Mr. Osborn the retiring secretary reported a numerical strength of fully paid-up resident ringing members as 1,441. There were about 100 members in arrears, who would no doubt pay up, but they could not be counted on the roll for the purposes of this statement. The assets of the Association were given as £335 10s. 7d. cash balance and £171 investments at face value. He said that the report for the years 1948-51 was nearly complete and the peal book was written up. He also proposed to write the new name book to hand over to the new secretary. He thanked the members for their co-operation and paid a tribute to the local secretaries, who were the mainstay of the Association.

Mr. S. G. Coles gave a lucid and interesting account of the Central Council meeting at Lincoln. The quiet touches of humour which interspersed his report were thoroughly enjoyed.

Mr. H. J. Sanger then rose to ask the Master to present to the retiring secretary a pipe, tobacco and a cheque for £36. Mr. Sanger spoke of the hard work done in the past by Mr. J. T. Dyke and he was supported by Mr. W. J. Prescott, Mr. W. H. Coles and others. Mr. Dyke was too much overcome to reply adequately. Another honour, that of being elected an honorary life member, was conferred on him.

The meeting ended with votes of thanks, Mr. S. Woodburn being especially mentioned, for he had been of inestimable help in making the meeting arrangements.

Ringing took place at no fewer than twelve towers during the day and much admiration was expressed of the Weston bells, where the six bells had been rehung, retuned and augmented to eight.

BRISTOL.—At St. Mary Redcliffe, on April 12th, 1,259 Grandshire Caters: F. G. Leaker 1, F. Hansford 2, G. Briggs 3, A. M. Tyler 4, E. F. Hancock (cond.) 5, W. Parker 6, A. A. Hillier 7, I. H. Trueman 8, R. J. Bowden 9, F. C. Morford 10. Rung for the 90th birthday of Mrs. Rowlands, the oldest communicant at the church.

LETTERS TO THE EDITOR

WHERE GRANDSIRE DOUBLES WAS BORN

Dear Sir,—As the writer of the report on Hartest dedication, I am stating where the report of the birth of Grandsire Doubles came from.

It was taken from the records of Samuel Slater, who was a local historian on ringing matters and lived at Glemsford, three miles from Hartest. The date was given me but when writing I could not remember exactly so I wrote 18th century. The exact date can be found in these records by anyone visiting Bury St. Edmunds.

Richard Duckworth was inducted at Hartest in 1660, not 1650, and on his arrival must have given the order to John Darbie for a ring of five in 1661. Stedman was at that period about 20 years of age and it was about this time that half-pull changes were first rung.

As J. A. Trollope admits in 'The College Youths', there was a lot of guess-work of the true happenings which took place in those days, as with very poor communications I can well imagine people being credited with composing when other people had already achieved it elsewhere. Even in recent years this has happened, because Pudsey was composed, but not published, at Lavenham six months before it was published and named elsewhere.

A few months ago Challis Winney was stated in 'The Ringing World' as coming from Polstead, when S. Slater says the Winneys all came from Nayland, and I have a copy of a peal rung there in July, 1828, with two Winneys in the band. I estimate it would take a lifetime to examine all this old literature, compare it, and really arrive at the truth.—Yours sincerely,

LESLIE D. MILLS.

Bures, Suffolk.

RUSHALL DOUBLES

Dear Sir,—I have read the several replies to my letter about 'Newington' Doubles with considerable interest. As Mr. Moreton makes no claim for any name, Mr. C. E. M. Smith's 'Rushall' appears to be the correct one for the method, if such it be, and I gladly yield to him. I would, however, like to correct one statement of his. He says that there are 'four different callings available as in All Saints'; in point of fact there are only three, for a bob the fourth lead, twice repeated, brings up rounds at the 119th change, the 120th being 12435.

Another of these 'mixed Doubles methods' was rung, to the best of my knowledge for the first time, at Cheriton on April 15th this year. It is Reverse St. Bartholomew with a St. Dunstan's plain lead as its bob. We have provisionally named it 'Edinburgh' but are quite prepared to bow to any prior claim.

As Mr. Short's 'St. George's Doubles' appears to have been previously christened 'Marchington,' perhaps he would not mind us calling another variation of All Saints by this name. This has a St. Dunstan's plain lead as its bob, giving three callings.

Finally, I would like to disagree with Mr. Smith when he says that he prefers Doubles methods with their own distinctive plain courses. A quarter peal of, for example, Plain Bob, April Day, Kennington, Besthorpe, Old, Norfolk and Seighford—all having the same plain course—is far more difficult than one of Plain Bob, Reverse Canterbury, Reverse St. Bartholomew, All Saints', Grandsire and Stedman.—Yours faithfully,

CYRIL A. WRATTEN.

Saltwood, Kent.

HEAVIEST FIVE FOR A PEAL

Dear Sir,—The recent peal at Ogbourne St. George (tenor 18 cwt. 2 qr. 7 lb.) raises the following question: 'Is there a heavier five that have been rung to a full peal?' Will you enlighten us, please?—Yours,

C. SAVAGE.

Aldbourne, Marlborough.

JOSEPH EAYRE

Dear Sir,—First I must compliment your paper and also thank Harry King for producing information about Thos. Power, gent., who made the Buckden clock in 1681. I had almost thought that to ask for information about a clockmaker of the 17th century, whose name is not recorded in Baillie's list of 35,000 clockmakers, was expecting too much of 'The Ringing World.' But their capacity seems boundless.

Having received an answer to a hard question, may I trouble you with one which should be much easier? Are any clocks made by Joseph Eayre still in existence, and in what towers can one find a specimen? Every bell-ringer knows of Joseph Eayre, so I will not enlarge upon his fame as a bell founder.—Yours faithfully,

A. J. NIXSEAMAN.

Northill Rectory, Biggleswade.

TWO NEW DOUBLES METHODS

Dear Sir,—In the peals of Doubles at Rugeley (April 17th) and King's Bromley (April 18th) there are two methods which, as far as we can trace, have not previously been published. I give details below:—

St. Augustine's Doubles: Plain Lead, Grandsire Single; Bob, Grandsire Extreme.

Lapley Doubles: Plain Lead, St. Nicholas'; Bob, Grandsire Single.

It is possible that these have been rung before under other names, although we have been unable to find any record, and if this is the case I would be glad to have details so that I can amend my records.—Yours faithfully,

Rugeley.

J. H. JOYNER.

'DIABOLICAL CONTRAPTION'

Dear Sir,—It is with surprise and dismay that I read in the current issue of 'The Church Times' of the proposed installation of a 'carillon without bells' at St. Bride's, Fleet Street.

St. Bride's is famous in the annals of our art as the tower where many of the earliest peals were rung, and it is to be regretted that it is now to become the first in this country to have this diabolical contraption, which has been decried by so many ringers in recent years.—Yours sincerely,

PATRICK I. CHAPMAN.

Kettering.

ST. BRIDE'S, FLEET STREET

Dear Sir,—I am surprised that no comment has yet appeared in 'The Ringing World' on the news that a 'carillon of synthetic bells' is to be placed in the tower of St. Bride's, Fleet Street, to commemorate the Coronation. I have no doubt that London ringers have done everything possible to induce the authorities of this church to install another ringing twelve in this historic tower—the very cradle of change ringing. However, I, for one, would much like to know the reasons which have finally led to the sorry decision to have electronic 'bells.' On the face of it, and in the circumstances, a less worthy commemoration of the Coronation could hardly be imagined.

J. E. SPICE.

Liverpool.

THE OLD BELLS OF CHOBHAM

Dear Sir,—I suggest Mr. Collins reads the article again and he will find no mention of the church or the ringers. I have visited Chobham over 50 times since 1903 and several vicars have told me the parishioners prefer the bells as they are: hence no steps being taken to accept any schemes for improvement. Looking back over my article again, I cannot see that I implied the bells as being bad, even though I wrote saying they were not musical, an opinion generally accepted.—Yours sincerely,

WILLIAM SHEPHERD.

Addlestone.

ELY DIOCESAN ASSOCIATION

A New Secretary Appointed

The annual general meeting of the Ely Diocesan Association was held in Cambridge on Easter Monday and was attended by ringers from a wide area.

The bells of St. Andrew-the-Great, the R.C. Church of Our Lady and the English Martyrs, St. Bene't's, Trumpington, and Chesterton were in use during the day. The twelve of St. Mary-the-Great are still at the Loughborough foundry.

The service was held at St. Andrew's, the Vicar (Canon Woodard) officiating, and Mr. T. R. Dennis acting as organist. Tea was served in St. Andrew's Hall by some of the local ringers' wives and friends.

At the business meeting the chair was taken by Canon Woodard. The general secretary (Mr. W. W. Cousins) mentioned that he had been privileged to serve the Association as district and general secretary for the past 18 years and now felt that perhaps a change of secretary would be a good thing. He asked that his resignation be accepted and proposed Mr. W. J. Ridgman as the new secretary. This was agreed to. It was decided to hold the annual general meeting again in Cambridge next year.

After a lengthy discussion on the subject of badges it was agreed to leave the matter to the Diocesan Committee for them to choose a new design and act as they thought best.

EAST DERBYSHIRE & NOTTS ASSOCIATION

Increase in Subscription Approved

The annual general meeting of the East Derbyshire and Notts Association was held at Tibshelf, Derbyshire, on Easter Monday. The attendance was very good, representatives from most towers being present, and also visitors.

The bells were raised early in the afternoon and ringing enjoyed until 4.30 p.m., when a service was held in the church, conducted by the Vicar, who gave an inspiring address. Tea followed, provided by the local band.

The annual business meeting took place immediately after tea. Votes of thanks were accorded to the Vicar, organist and ladies who provided tea and so ably waited upon the ringers.

The following officers were elected:—President, Mr. J. W. England; vice-presidents, Messrs. J. Hobbs, W. Dobb, H. Draycott and J. Brothwell; treasurer, Mr. C. M. Heathcote; secretary, Mr. B. A. Sollis; Ringing Master, Mr. A. Smithson; Central Council representative, Mr. C. W. Evans.

The resignation of Miss F. M. Price as secretary was received with regret and thanks were recorded by those present for her services to the Association. Fourteen new members were elected.

After much discussion it was decided to raise the annual subscription to 2s. per member (1s. members under 18) and abolish the entrance fee.

Ringing was then resumed until after 9 p.m., a very enjoyable afternoon and evening being spent by all present.

B. A. S.

THE 'PROFESSOR OF CAMPANOLOGY'

Dear Sir,—In reply to Mr. G. A. Peck, of Rugby, I am afraid the source of the information is unknown. Some years ago the first editor of this paper showed me a cutting which he had received, and after discussing whether such a performance was possible I took a copy of it with the intention of seeking further information. Probably the cutting was from a magazine and the eye-witness used plenty of imagination when he described the actual performance, especially the 'Professor's' rolling of himself round the central pivot on the floor. There seems no record of any repeat performances in any other tower.

DEDICATION

BOTUS FLEMING, CORNWALL

Situated at the bottom of a steep hill, some three miles from Saltash, is the pretty village of Botus Fleming. For some years the bells had not been going at all well, and in addition the fifth bell was cracked.

It was, therefore, a great pleasure for the local company on April 11th to have their bells rededicated after being restored by Messrs. Gillett and Johnston, Limited.

The ceremony was performed by the Right Rev. John Wellington, Assistant Bishop of Truro, assisted by the Vicar, the Rev. S. W. Bazalgette, and the church was packed with parishioners and over 100 visiting ringers.

After the service a very nice tea was enjoyed in the Parish Hall, prepared by the ladies of the parish.

The bells are a mixed ring of varying dates with a tenor weighing 10½ cwt. They have been tuned and rehung with ball bearings and the fifth bell recast.

Mr. A. Patrick Cannon represented the bell-founders and received congratulations on behalf of his firm. Ringers were present from the following towers: Calstock, Lanreath, Luxulyan, Morval, St. Cleer, St. Dominic, St. Ive, St. Martin-by-Looe, St. Stephen's-by-Saltash, St. Teath (all in Cornwall) and Tamer-ton and Yealmp-ton (Devon). The usual well-struck rising and falling, with rounds in between, was enjoyed by each band in turn right up to 9 p.m.

BATH & WELLS ASSOCIATION

Chew Deanery Branch

The fine octave at Chew Magna attracted a good attendance at the quarterly meeting on April 18th.

The Association's form of service was conducted by the Vicar (the Rev. C. M. Luxmoore-Bell), who in welcoming the Branch recalled that the last visit to Chew Magna was for a Corporate Communion, which he warmly commended as an activity of the Branch.

At the business meeting three new members from Barrow Gurney were elected. Long Ashton was suggested for the next quarterly meeting with a practice meeting at Backwell in May and Publow in June. Mr. G. Yeo proposed the vote of thanks to all who had contributed to a successful meeting, especially Mr. and Mrs. H. Babb.

Ringling up to Double Norwich and Cambridge Surprise Major was under the direction of the Master, Mr. H. W. Knight.

THE BELLS OF OATLANDS, SURREY

Henry VIII. built one of his finest palaces at Oatlands and from then onwards the district was closely bound up with the comings and goings of royalty until the palace was destroyed under the Commonwealth of Oliver Cromwell.

The church is away from the village and the tower is clearly seen by travellers on the main line between Walton-on-Thames and Weybridge.

The eight bells of the ring by Warners are all dated 1911, yet it was not until March, 1913, that they were dedicated. In the interim period this octave was heard by millions of people although not installed in any church tower. During the Festival of Empire at the Crystal Palace in 1911 these bells were played by that well-known London ringer, Fred Newman, and it was intended that the ring should be sent to India for the Durbar, but this arrangement was cancelled and they were conveyed to the Olympia, where they played a part in Max Reinhardt's famous spectacle, 'The Miracle.'

The interior of this great building was transformed into a grey-walled cathedral and in this setting the tragic and beautiful story was enacted without words. It is the tale of a beautiful nun, whose life was one of joys and sorrows. She heard the world calling; she heeded it and she tasted its sweets and bitters. Then she came back to the Sanctuary, different yet the same.

Full of majestic music and picturesque scenes, the bells broke in from time to time with joyous peals, and the tolling for matins and vespers was also impressive. All very magnificent and stirring.

The founders had many offers for these bells, including one from a nobleman in Scotland, who wanted them for his mansion, but Warners kept to their original offer, i.e., to let Oatlands have the first refusal of them. Each bell bears the same inscription, viz., 'Cast in the first year of the reign of King George V., 1911.' The tenor is 12 cwt. 12 lb. in G.
